

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Nunez (reg. 59,979) on 9/9/2009.

The application has been amended as follows:

Per claim 1, in line 6, after "dividing" --, in the memory, --has been added.

Per claim 19, in line 5, after "determining" --in memory--has been added.

Per claim 25, in lines 1-2, "a tangible computer readable medium" has been replaced with -- a computer storage device--.

Per claim 26, in lines 1-2, "a tangible computer readable medium" has been replaced with -- a computer storage device--.

2. The following is an examiner's statement of reasons for allowance:

The cited prior arts of record, taken alone or in combination, fail to teach or fairly suggest at least: determining the satisfaction of an unimplemented method condition, the unimplemented method condition being defined by the second class type having same unimplemented methods as the first class type...generating a second loader dependent part...wherein determining the unimplemented method condition enables the runtime representation of the second class type to use the first loader independent part of the runtime representation of the first class type as recited in claims 1 and 25.

Per claims 19 and 26, see the office action mailed on 4/2/2009.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to INSUN KANG whose telephone number is (571)272-3724. The examiner can normally be reached on M-R 7:30-6 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Lewis A. Bullock, Jr. can be reached on 571-272-3759. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
